Document Owner	Kamal Sami Karaa
Test Certification No.	1907/2006
Product Range	CB-A3-3
Product Type	Easee Charge Max Eichrecht
Status	Released
SCIP notification:	eccba558-5459-4822-a249-26f592d4b470

Easee IP AS would like to affirm its adherence to REACH Regulation No.1907/2006 standard, demonstrating a strong commitment to these regulations throughout our sourcing and manufacturing processes.

We recognize that the introduction of new technologies and designs brings with it the responsibility to comply with the aforementioned regulation. This compliance is ensured through our audited suppliers and our own processes for managing changes or improvements.

To the best of our knowledge and to the date of this signed statement, all Substances of Very High Concern (SVHC) within Easee Charge Max Eichrecht listed on the SVHC candidate list are provided within the Substances of Concern In Products (SCIP) notification, as required by Article 33 of REACH Regulation No. 1907/2006. The SCIP reference number is held within the Easee technical documentation.

We are committed to following all best practices to remove, replace or register SVHC items and to maintain close communication with our suppliers and authorities regarding any additional information.

At Easee, we prioritize environmental considerations throughout all phases of our products' lifecycle. With this in mind, we kindly request that you follow the current waste and recycling procedures set by your local authority when declaring the end of a product's usage.

For CE declaration information, please refer to Easee Support.

Signed on behalf of Easee IP AS:
Marseille, France, 10.02.2026
